IT'S HISTORY!

Dedicated to the collection, preservation, and interpretation of the cultural history of Clark County and the Pacific Northwest, and to sponsoring educational programs and exhibits for the enrichment of all members of the public.

Thursday Night Lecture: Decidedly "On the Fly" 1867 and the Advent of Organized Base Ball in Vancouver- Join Greg Shine, Chief Ranger, Fort Vancouver NPS on **August 2nd** at **7 PM** in an Examination of the game as it began in Vancouver in 1867; where gentlemanly decorum was the rule and not the exception; where astronomical salaries were unheard of and members actually paid to play; and where match games were elaborate day-long community events rather than three-hour activities. In exploring base ball's inaugural season in Vancouver, Greg will explain club organization and share early newspaper articles, box scores, colorful accounts of challenge matches with rival squads, and the names of Vancouver's first teams and many of their players.

Basic Reed Basket Class- Donna Carlson will teach three different basket making classes. On **August 4th** from **1 PM to 4 PM** Donna Carlson will teach students basic basket-making skills with this simple reed basket that is geared toward elementary educators and beginning basket makers. Class fee is \$45. Class size is limited to 12 students so pre-registration is required and early enrollment is strongly encouraged!

Donna will also have two additional classes. Learn how to make a CD storage basket on September 8th and a beautiful handbag on September 29th and Oct 6th.
